**Please ! One of the last jobs that the ushers need to do BEFORE leaving after Mass is to help “straighten up” the pews for the next Mass, by putting missals back into the holders and removing paper(s) etc. It will only take a few minutes if everyone pitches in. THANK YOU !**

If, for some reason, you are unable to serve as scheduled, please arrange for a substitute.

**Thank you** to all for your continued help! Len Lindstrand - 221-3412

***If you have e-mail, please contact Len or the church office at 222.3424 and we will e-mail your schedules to you. PLEASE pick up your schedule from the USHER BOARD if you do not have e-mail.***

\*\*\*\*\*Ushers are NOW scheduled for Holy Days.\*\*\*\*\*

**PLEASE NOTE !!!!! If there is a person(s) who is in attendance or on the church grounds making you or other parishioners “uncomfortable”, please use discretion, ask them to leave or CALL 911. Emergency first aid equipment is in the Ushers' room.**

**NOTE !!!!!!!!!!!!! Ushers...In an effort to hold heating/air conditioning costs down, please make sure that the double doors in the church remain closed before Mass and until the final blessing, as well as the accordion door (chapel).**

**PLEASE 2<sup>nd</sup> Collections follow immediately after the first collections. Refrain from seating latecomers during the readings. Fr. has asked that the ushers should make an effort to have families take up the gifts to the altar. Thank you for your continued help to the parish. LEN LINDSTRAND [sanlen5037@att.net](mailto:sanlen5037@att.net)**

**Please remove the side standards by the back doors of the church and put them in the Ushers' Room after the 11:00 a.m. Mass. Thank you.**

**No special collection this month**
